

Lomonosov Moscow State University

Doing business in Russia

Leninskie Gory, 1-46, Faculty of Economics

March 30 – April 3, 2020

Moscow State University is pleased to offer an enriching and engaging one-week module ‘Doing Business in Russia’ (three ECTS) for international Master and MBA students from partner universities. Over the course of five days participants will attend lectures on topics such as:

1. Economic and business environment in Russia
2. Political environment in Russia. Doing business in Russia – rankings: ease of doing business; starting business; registering business; getting credit, paying taxes, etc. International comparisons.
3. Financial markets in Russia.
4. Labor market development in Russia. Human resource management, recruitment.
5. Entrepreneurship in Russia.
6. Marketing in Russia.

Each day will begin at 10:40 am at Faculty of Economics (room TBD), and includes coffee breaks. An hour and a half lunch is scheduled so that participants can take advantage of the numerous eateries in the university area.

Two site visits to international companies are included into the program.

Deadline for applications: **March 1st, 2020**
