

## Finding your courses at the Faculty of Economics and Management

### How to use the Semesterplaner

The following website contains the English-speaking courses of the Faculty of Economics and Management:

[www.wiwi.uni-hannover.de/en/studies/im-studium/international/incomings/course-catalogues/](http://www.wiwi.uni-hannover.de/en/studies/im-studium/international/incomings/course-catalogues/).

However, the link above shows just a short enumeration. If you are searching for details, e.g. the course description, we advise to use the so-called "Semesterplaner": <http://semesterplaner.wiwi.uni-hannover.de/>.

For this tool, which is available in German and English, please note the following procedure:

- Click "Start planner for Winter 23/24" (Planer starten) to start the tool
