

Finding your courses at the Faculty of Economics and Management

How to use the Semesterplaner

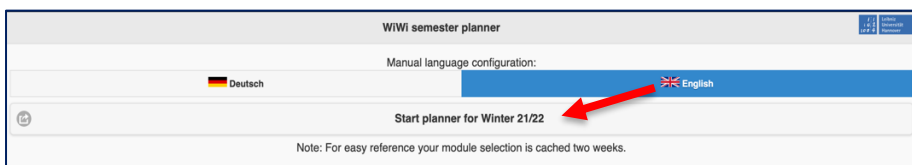

The following website contains the English-speaking courses of the Faculty of Economics and Management:

www.wiwi.uni-hannover.de/en/studies/im-studium/international/incomings/course-catalogues/.

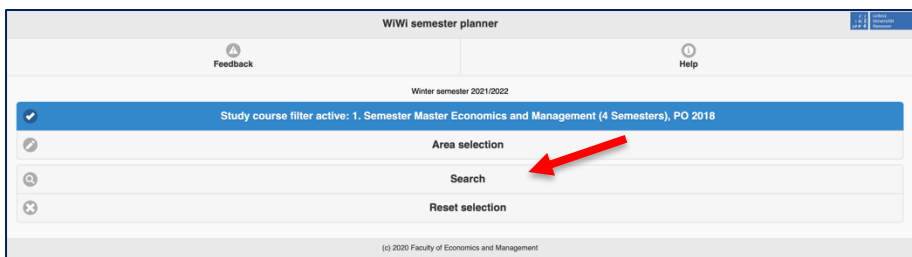

However, the link above shows just a short enumeration. If you are searching for details, e.g. the course description, we advise to use the so-called "Semesterplaner": <http://semesterplaner.wiwi.uni-hannover.de/>.

For this tool, which is available in German and English, please note the following procedure:

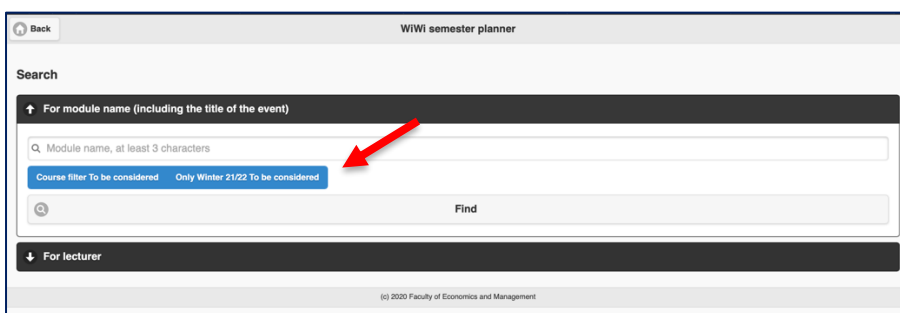

- Click "Start planner for Winter 21/22" (Planer starten) to start the tool

- Click "Search" (Suche)

- Click "For module name" (nach Modulname) to look for courses

- Click “Only Winter 21/22 To be considered” (nur WS21/22 berücksichtigen) to choose only courses from winter semester
- Or click “Only Winter 21/22 To be considered” in order to de-select this filter/ constraint - Of course, you need to select the semester of interest

The screenshot shows the 'WiWi semester planner' search interface. At the top, there is a 'Back' button and the title 'WiWi semester planner'. Below this is a 'Search' section with a sub-header '↑ For module name (including the title of the event)'. A search input field contains the placeholder text 'Module name, at least 3 characters'. Below the input field, there are two filter buttons: 'Course filter To be considered' (highlighted in blue) and 'Only Winter 21/22 To be considered'. A red arrow points to the 'Only Winter 21/22 To be considered' button. At the bottom right of the search section is a 'Find' button.

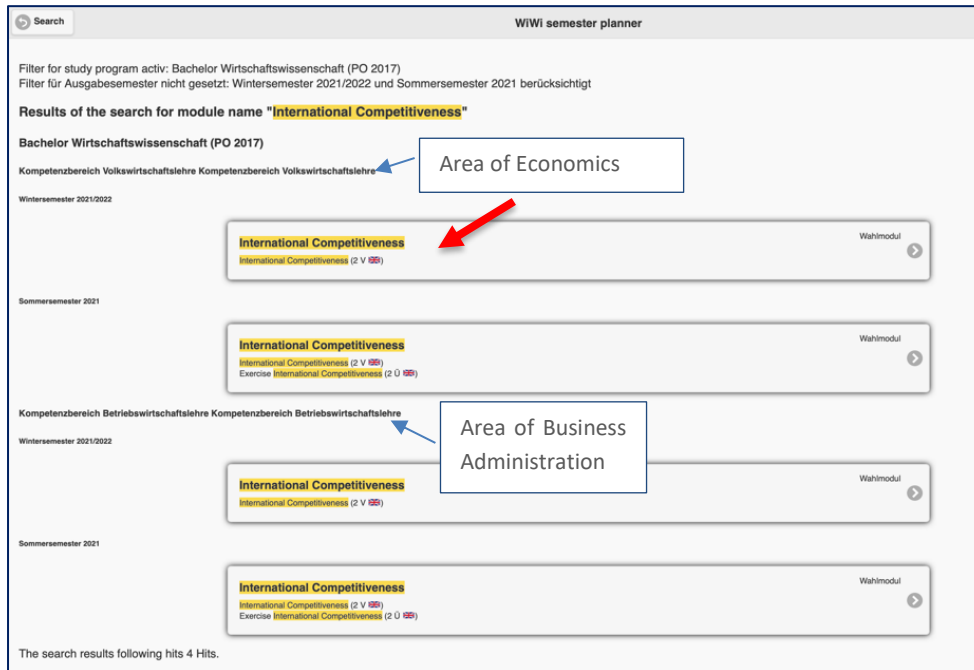

- Fill in the name of the module / course title of interest (with name of module corresponding to course list)

This screenshot is similar to the previous one, but the search input field now contains the text 'International Competitiveness'. A red arrow points to the search input field.

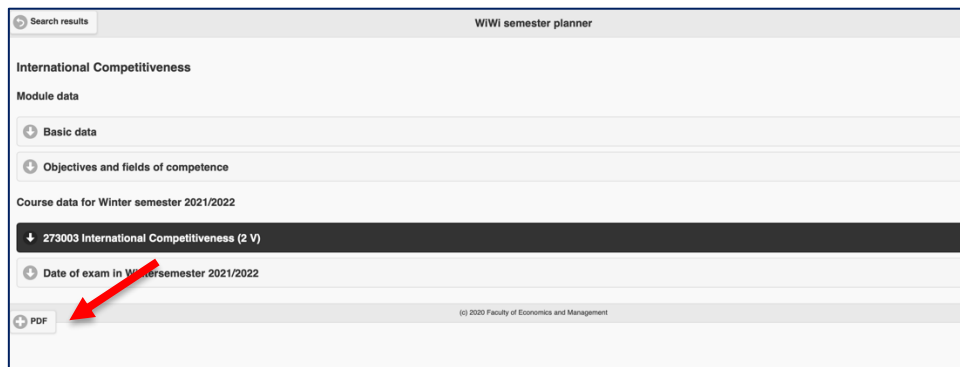

- Click “Find” (Finden)! Please note: You need to click this bottom; hitting the enter-key does not work

This screenshot shows the search interface with 'International Competitiveness' in the search bar. A red arrow points to the 'Find' button at the bottom right of the search section.

- Click at the right course (winter/ summer)

You find the description of the class if you open out the page. In the bottom left, the course description is available as a pdf document for download. If you are looking up a course that is held in English, the description is written in English as well.

If you are not successful, do not mind to contact us. Before you do this however, please try to follow the instructions at first. 😊
